Summary of Terms and Conditions

Policy on Confidentiality: HRI Labs regards confidentiality as the cornerstone of professional protocol. It is our strict policy to release test results only to the customer-specified contact person(s) for that test, and to no one else, whether associated with the testing organization or not, unless we have received specific written instructions to do so. This Policy on Confidentiality applies both to test findings, the names of all testing customers, and any item identified as Confidential Business Information by the customer.

Important Terms Governing this Order and Agreement: This Order and Agreement is governed by HRI Labs' Standard Terms and Conditions which are available on HRI Labs website at https://hrilabs.org/testing/terms-conditions/. All such terms and conditions are incorporated herein, including the following:

Limitation of Liability

In the event of a material error by HRI Labs (i) in the performance of analysis or (ii) in the performance of any consulting services, HRI Labs' sole obligation to Buyer shall be for HRI Labs to either (a) repeat the analysis or consulting services at HRI Labs' own cost, or (b) refund or credit to Buyer the invoiced amount. In no event shall HRI Labs' liability in connection with any sale hereunder exceed the contract price paid for the service in issue. HRI Labs' liability, regardless of the form of action, shall not exceed the foregoing limitation of liability. In no event will buyer or any third party be entitled to, nor shall HRI Labs be responsible for, in contract, tort, strict liability, or otherwise, any incidental, indirect, special, or consequential losses or damage (including lost profits or revenue) arising in connection with HRI Labs' default or breach of its performance obligations, or in connection with any other acts or omissions by HRI Labs.

Indemnification.

Buyer shall indemnify HRI Labs and its directors, officers, employees, and agents from any loss, cost, damage or expense (including reasonable attorneys' fees) from any lawsuit, action, claim, demand or proceeding arising from or associated with, directly or indirectly, HRI Labs' execution and/or performance of its services hereunder. However, the foregoing indemnification shall not apply in the event and to the extent that a court of competent jurisdiction determines that any loss arose as a result of the willful misconduct of HRI Labs.

Please see and carefully read above and/or HRI Labs website for important terms governing this order and agreement for analysis. This order constitutes an agreement between you and HRI Labs (the party doing the testing) and is subject to HRI Labs Standard Terms and Conditions which are incorporated herein and are available on HRI Labs website at https://hrilabs.org/testing/terms-conditions/.
